

About us

Spa Alexis at the Hyatt is the premier spa and salon to meet your needs. Whether you're looking for a simple cut and color, or facial and massage to de-stress and detox, we've got you covered.

We've taken the best of Eastern and Western medicine to create a truly unique experience. With a focus on all-natural and holistic medicine, all of the scrubs and treatments are made in-house.

We'll help meet your needs beyond the surface. You'll get an experience, helping to meet that meet that emotional life-balance that your hectic life makes it so difficult to maintain.

Come see us inside the Hyatt Regency Hotel in downtown Buffalo to create a personalized massage with our essential oils blending bar or receive a unique facial with a customized combination of skin products. Treat yourself to an Spa Package deal and let us create a few hours, or a whole day, or a weekend of transformative pampering. Whatever you choose, know that we strive to create a spa experience that is completely personalized. Because at our Spa Alexis, it truly is all about you.

Experience your own personal spa journey with one of our signature spa treatment packages. Our staff can assist you with scheduling your spa services in any sequence you prefer.

Reservations

We recommend that you make your spa reservations well in advance of your arrival. Reservations can be made by calling 716.855.4877. For guests that are not staying in the hotel, a credit card is required to secure your appointment. If you have any special physical or medical considerations, please notify the spa, so that we can best prepare for your treatment.

Gift Certificates

Spa Gift Certificates are available to purchase for any special occasion. Whether for an anniversary, birthday or holiday gift, a congratulations or thank you gift, what better way to say you care than with a gift from the Spa. Gift certificates can be purchased in person, over the phone, or online. Spa Gift Certificates are beautifully packaged, and can be used for spa services or in the boutique.
